CIRCLE 6-6300

630, FIFTH AVENUE
(ROOM 3512)
NEW YORK 20, N. Y.

August 8th, 1944.

Miss D. K. Little,
145 East 54th Street,
New York City.

Dear Miss Little:

I was very glad to see you to-day, and to learn that your health is so much improved and I trust that you will soon be so completely recovered that you will be able to apply yourself to your post-war activities.

As you know, we are reducing our staff quite considerably as the war is drawing to a rapidly successful conclusion. Much as we regret having to lose the services of members of our loyal staff, the reasons for so doing are naturally a source of the greatest satisfaction both to us and to them.

Your very long service in this office has been so much appreciated by the authorities that I would like to suggest that you remain nominally on our staff for one month longer, that is to say, until September 10th, and that you continue your leave of absence without pay until that date. I shall place on record that your resignation is accepted with great regret and with much appreciation of all you have done in the organization and administration of this office.

Yours sincerely,

A. T. V. Wolton,
Administrative Officer.
